

Whitman-Hanson Regional High School
Junior/Senior Physical Education Requirement
2014-2015

Juniors and seniors have a variety of options by which they may complete the physical education requirement.

Junior and Senior Physical Education Options:

To fulfill the requirement for physical education for junior and senior years, all students must select one of the following options each year:

1. *Elect to take an existing junior/senior physical education course for at least one trimester each year.*
2. *Play on an inter-scholastic team at WHRHS for at least one season.*
3. *Participate in a fitness/exercise program at a fitness/exercise facility.**
 - **In order to complete this requirement during your junior and senior year, you must complete 60 hours in an approved fitness program at an outside facility. Examples may include weight training, general fitness, dance, yoga, skating, gymnastics, karate, judo, or other approved activities. This option must be pre-approved by the principal.*

Prior to starting your 60 hours you must fill out the form on the reverse side of this document, obtain all required signatures, attach any required documentation, and then submit it to your guidance counselor.

Please note that graduation credits are awarded only for those who elect to take a physical education course at WHRHS. No credits will be awarded for any options that take place outside the school day. *The 60 hours of fitness in option 3 must be completed and submitted to the student's counselor and approved by the principal prior to the start of trimester II. If the student does not complete the required 60 hours prior to the start of trimester III, he/she will be scheduled for PE. Upon completion of options 2 or 3 the principal will waive PE credits for that school year.

Please note that this form MUST be filled out each school year for juniors and seniors.
