**Office of School Finance**

**FY23 Chapter 70**

**Regional District Enrollment and Contributions by Member City or Town**

The table below presents the minimum required local contribution for each member to the selected regional district.

Note: A city or town might belong to more than one regional district (e.g., a regional district and a vocational district) and therefore be required to contribute to multiple districts. See the *regional allocation* tab for a full list of minimum required contributions for each city or town.

Foundation enrollments are presented as whole numbers. The change column reflects differences prior to rounding.
