3. Period of Time for which approval is sought:

From (month/year) _____ to (month/year) _____

Please provide a supplemental document that provides the following information.

4. Names and qualifications of all instructors: The application form must include the name(s) and statement outlining the qualifications to teach the person(s) who will instruct the child/children in each subject area. The statement should include the highest educational level attained, principal subjects studied, teaching experience (if any), or any other evidence to demonstrate teacher(s) competence.

5. **Contents of Plan:** Please attach the proposed home education plan for each child, which must include the following information:

- a. The number of hours (per day or per week) to be spent on each subject
- b. An outline of information, concepts and skills to be learned in each subject for the period covered by the plan. Depending upon grade level, the subjects to be taught will include: reading, written and oral language, spelling, mathematics, science, social sciences, the arts (music, art), American history, citizenship duties, health and physical education, industrial arts, homemaking skills, and vocational and educational guidance:
- c. A list of materials and/or resources to be used for instruction in each subject;
- d. A statement describing the tests or measurements that will be used to evaluate the child/children's progress in each subject.
